NARRATIVE DISCUSSION

These quarterly financial statements must be read in conjunction with the March 31, 2023, audited financial statements of the Canadian Museum of History (CMH) and with this narrative discussion.

OVERVIEW

The Corporation is committed to sustaining a strong financial and operational foundation for the delivery of quality museum programs and services. Responding to the Strategic Directions of its Board of Trustees, the Corporation builds accountability into its operational planning and reporting. The Corporation has at its core a management culture that fosters excellence and adaptation of best practices for continued improvement. It is accountable to Parliament and Canadians in implementing its mandate.

The Museum's attendance continued to be impacted by the COVID-19 pandemic due to reduced tourism and the slow progression of regaining visitor confidence in public space attractions. This situation had negative effects on the Corporation's revenues and operations.

The Museum also remains connected with its audience through its digital offer with Museum at Home, Digital Museums Canada and its online programming offer.

STRATEGIC DIRECTIONS

In 2022, the Corporation's Board of Trustees unveiled five Strategic Directions, building on the previous ones, and maintaining their overall intent. A detailed set of goals and objectives addresses each direction. The Corporation's five Strategic Directions are as follows:

1. Foster an innovative workforce culture that promotes equity, respect and a sense of belonging.
2. Engage Canadians from across the country in diverse histories and stories.
3. Strengthen our commitment to recognizing the rights of Indigenous Peoples and advance reconciliation.
4. Build organizational resilience through sustainable practices.
5. Leverage technology to drive innovation and deepen access to Museum activities.

STATEMENT OF OPERATIONS

The Corporation's net results of operations for the three-month period ended June 30, 2023, reflects a deficit of \$2.2 million, compared to \$2.6 million for the comparative period of the previous fiscal year.

Parliamentary appropriations for the period total \$18.9 million, compared to \$19.6 million for the same period in the previous fiscal year.

Revenues for the three-month period total \$4.5 million, compared to \$2.6 million for the same period of the previous fiscal year, an increase of \$1.9 million. Operating revenue results for the current period are higher when compared to the prior fiscal year, however, remain lower when compared to pre-pandemic levels.

Operating expenses for the three-month period total \$25.6 million, compared to \$24.8 million for the same period of the previous fiscal year, an increase of \$0.8 million. This increase is partly explained by additional salary, marketing and building operating costs in the current year off-set by lower collection acquisition expenses.

STATEMENT OF FINANCIAL POSITION

The Museum's unrestricted net assets as of June 30, 2023, represent \$4.8 million, \$7.0 million as of June 30, 2022.

To date, the Museum restricted net assets totaling \$20 million, for the renewal of permanent exhibition galleries, including the transformation of the Canadian Children's Museum. In 2017–2018, an upgrade to a permanent gallery was completed at the Canadian War Museum. The decrease of restricted net assets for permanent exhibit renewal is equivalent to the amortization of this upgrade and non-capital expenses incurred to date for the Children's Museum Renewal project.

OUTLOOK

The current situation related to the global pandemic continues to impact the attendance and the operations of the Museum. Local and North American tourism appears to be recovering at a faster pace than what had been predicted. International tourism seems to have a slower recovery. Steps have been taken to increase revenues to almost pre-pandemic levels.

Operating costs are increasing due to the rise in inflation and the labour market remains an additional challenge.

The Museum receives an annual base capital funding of \$2.5 million in 2023–2024. Base funding remains below the level necessary to keep two aging buildings in good condition and to address the requirements associated with the IT and security infrastructure. Budget 2023 has provided an additional \$5.1 million for 2023-2024 and 2024-2025 but also indicated a possible reduction of at least 3% of regular appropriations. The Corporation will continue to work with the Department of Canadian Heritage on a long-term solution to address operating challenges such as escalating non-discretionary costs and the need to address critical capital projects.

STATEMENT OF MANAGEMENT RESPONSIBILITY

Management is responsible for the preparation and fair presentation of these quarterly financial statements in accordance with the Treasury Board of Canada Standard on Quarterly Financial Reports for Crown Corporations and for such internal controls as management determines is necessary to enable the preparation of quarterly financial statements that are free from material misstatement. Management is also responsible for ensuring all other information in this quarterly financial report is consistent, where appropriate, with the quarterly financial statements.

Based on our knowledge, these unaudited quarterly financial statements present fairly, in all material respects, the financial position, results of operations, changes in net assets and cash flows of the Corporation, as at the date of and for the periods presented in the quarterly financial statements.

Notes to the Financial Statements

For the three-month period ended June 30, 2023
(In thousands of dollars)

1. Mission and mandate

The Canadian Museum of History (the “Corporation”), formerly named the Canadian Museum of Civilization, was established on December 12, 2013 through an amendment to the *Museums Act*. The Canadian Museum of History is an agent Crown corporation named in *Part I of Schedule III to the Financial Administration Act* and is not subject to income tax under the provisions of the *Income Tax Act*. The Canadian Museum of History includes the Canadian War Museum.

The mission, as stated in the *Museums Act*, is as follows:

“to enhance Canadians’ knowledge, understanding and appreciation of events, experiences, people and objects that reflect and have shaped Canada’s history and identity, and also to enhance their awareness of world history and cultures.”

The Canadian Museum of History’s operations are divided into four mutually supportive activities which work together to meet all aspects of its mandate. These activities are:

Collect and research

Manages, develops, conserves, and undertakes research on the collections to enhance program delivery and augment the scientific knowledge base.

Exhibit, educate and communicate

Develops, maintains, and communicates exhibits, programs and activities to further knowledge, critical understanding, appreciation and respect for human cultural achievements and human behaviour.

Accommodation

Managing and maintaining all facilities and related security and hosting services.

Corporate management

Governance, corporate management, audit and evaluation, fundraising, commercial activities, finance and administration, human resources and information systems.

2. Significant accounting policies

Basis of accounting

These unaudited financial statements have been prepared in accordance with Canadian public sector accounting standards. The Corporation has elected to apply the Section 4200 series for government-not-for-profit organizations, and the deferral method of accounting for contributions.

Basis of preparation

These interim financial statements are intended to provide an update on the latest complete set of audited annual financial statements for the year ended March 31, 2022. Accordingly, they should be read in conjunction with the audited annual financial statements. The interim financial statements are unaudited for all periods presented. The accounting policies used in the preparation of these interim condensed financial statements are consistent with those disclosed in the Corporation's last audited annual financial statements.

Contingencies

In the normal course of its operations, the Corporation becomes involved in various claims or legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded in the Corporation's financial statements.

Measurement uncertainty

The preparation of financial statements in accordance with Canadian public sector accounting standards applicable for government not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses for the period. Employee future benefits, artifact donations and the estimated useful lives of capital assets are the most significant items where estimates are used. Actual results could differ significantly from those estimated.
